

SmartVend Ireland

Your Complete Vending Solution in 12 Simple Steps

✓ Free Installation ✓ Maintenance Included ✓ Contactless Payments ✓ Custom Stock

01

A Vending Opportunity Is Identified

A workplace, gym, hotel or public space has the footfall and need for on-site food and drink.

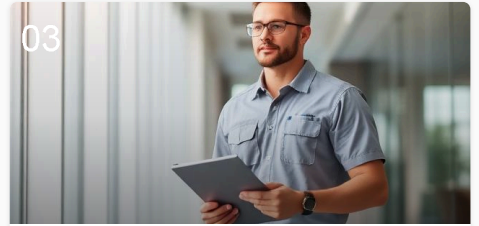

02

Contact SmartVend Ireland

A quick call or enquiry starts the process — with no obligation.

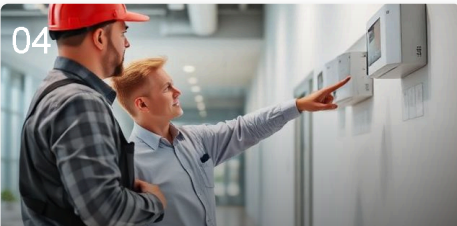

03

Site Visit Arranged

A SmartVend engineer assesses your premises.

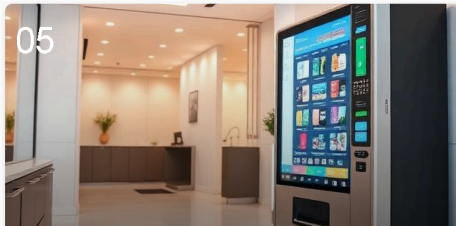

04

Best Location Identified

Footfall, power and layout are reviewed to maximise usage.

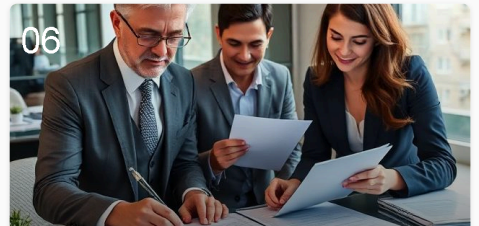

05

Vending Machine Selected

A solution tailored to your space and the people who use it.

06

Compliance Approved

All insurance and Health & Safety requirements are handled.

07

Machine Installed

Delivered, installed and fully safety checked.

08

Fully Stocked

Products selected to suit your customers and location.

09

Everyday Convenience in Use

Easy access to food and drink, whenever it's needed.

10

Remote Monitoring

Stock levels are monitored automatically, so products don't run out.

11

Regular Servicing

Machines are proactively restocked, cleaned and checked.

12

A Valued On-Site Amenity

The vending machine is in daily use, enhancing staff wellbeing and visitor experience.
