About SmartVend Ireland

SmartVend Ireland is a locally owned vending solutions company dedicated to providing premium, fully-managed vending services to businesses across Ireland's South-East and Midlands regions. We believe every workplace deserves convenient access to quality refreshments.

From offices and factories to gyms and schools, we partner with businesses of all sizes to deliver hassle-free vending that keeps your team energised and satisfied.

Our Services

Free Vending Machines

Premium vending machines supplied and installed at no cost to your business

Full Maintenance

Regular servicing, repairs, and technical support all included

Regular Restocking

Scheduled visits to keep your machine fully stocked with fresh products

Contactless Payments

Modern payment options including card, Apple Pay, and Google Pay

Why Choose Us?

-  No upfront costs or contracts
 -  24/7 support available
 -  Cashless & cash options
-  Custom product selection
 -  Energy-efficient machines
 -  Real-time monitoring

Our Commitment

We pride ourselves on fast response times, reliable service, and building lasting partnerships with our clients. Your satisfaction is our priority – from the first call to every restocking visit.

Our Vending Machines

We offer a wide range of modern, energy-efficient vending machines to suit any location. All machines are supplied, installed, and maintained free of charge.
